The Executive Board of RADPOL S.A. based in Człuchów (the "Company") informs that on 13 July 2009 it has received an order of the District Court North Gdańsk in Gdańsk, Faculty of Business IX – on completion of the registry of electron accelerator ILU 10, produced by the Institute of Nuclear Physics, Novosibirsk, serial number 6.

Registry was established on 24 June 2009 by the State Treasury, to cover the claims of the State Treasury to the total amount of 13,352,200 PLN, resulting from technological credit agreement number 06/0318, which was described in the prospectus of the Company. Terms of the agreement of the registry are set out in 11/2009/GDA on objects labeled as to the identity described in the current report No 26/2009 of 02 June 2009. The registry was established until the end of debt of the State Treasury, which currently amounts to 4 636 538 80 PLN.

In accordance with the contract number 11/2009/GDA registry on the objects identified as to the identity described in the current report number 26/2009 dated 02 June 2009, concluded between the Company and the State Treasury, the parties agreed that the ownership of the accelerator shall be passed to the State Treasury provided a remoteness of a suspensive or a final pay request for the registration of pledges on the pledge registry on the accelerator.

Registry being complete, it was disabled to meet the conditions, and thus the possibility of transferring ownership of the accelerator to the State Treasury.
